PEACE & LOVE  
HAPPINESS

I am sure all the hippies, young and old, are loving this design. When it comes to Summer expression, the colors and symbols of the 60's always seem appropriate. The Summer sun allows flowers to bloom, with flowers comes love and with love comes peace and happiness. Actually, happiness comes from golf and the Summer is prime time for that.

We have had our share of wet weather and cold temperatures. Now we are ready for hot, sticky days that last till 9:30pm. The kind of days that make you forget what it is like to want to snuggle in a blanket. The kind of days that force a reactionary "Don't touch me!" when someone you love gets too close. The kind of day that only a dip in the pool or a three dip ice cream cone can cure.

As Ohioans, we are acclimated to this type of sudden change in our weather. Heck, sometimes we get three or four different seasons in one day alone. Some would say that we are resilient and then there are others who say we are just plain silly for not moving our butts to Florida. Then again, we don't have to worry too much about hurricanes.

Now that we have the type of weather which has been in our thoughts since the first cold snap in October, it is time to put these warmer temps to good use. Poor Farmer's gives you an array of outlets for your warm weather fun. We have a Tractor Show / Flea Market in a couple of days. We are hosting a fourth of July weekend from July 1<sup>st</sup> thru 4<sup>th</sup>. The Buckeye Wood Carvers will keep that Summer energy flowing with a Round-Up July 20<sup>th</sup> thru 23<sup>rd</sup>. Christmas in July will rekindle your Christmas Spirit on July 30<sup>th</sup> without having to deal with all that annoying slush and snow. Then in August, we will amuse you with a Golf Cart Rodeo and The Miami County Fair. Seriously folks! If you get bored this Summer, it is your own fault.

If you don't have a copy of our seasonal schedule, pick one up today at the parts store, camp office or on our website. I didn't even get into our September events. Like my birthday on September 13<sup>th</sup>. Not sure what to get me? FYI, my favorite color is cash. Needless to say, we are gonna have a blast this Summer and we hope that you are able to join us for every minute of it.

# SHANE'S WORLD

This craziness is my Brother-In-Law Shane Miles. I just wanted everyone to know who was making all the big changes around the campground. Some of these jobs have been a team effort with Tim, Jimmy, Ricky, and even Dad; but Shane has been the project manager of them all.

We really enjoy having Shane here at the campground. He brings a lot of energy and as you can see, talent. Thank you Brother for all you have done. If you see Shane out in the campground, give him some kudos for all his hard work. He has earned them all.

## Site of the Month Tony and Adrienne Miller

Tony and Adrienne Miller have been hard at it since moving their gargantuan fifth wheel toy hauler to site #441, just across the bridge.

They are sporting a freshly stained, elevated platform that accents the entire corner.

Meticulous landscaping and décor arrangements create a relaxing atmosphere that is almost as beautiful as Adrienne herself. I hope you get a chance to see this beautiful campsite and I hope that next time we have a karaoke (July 2nd @ 7PM) they are able to make it for some Chicken Fried.

Tony and Adrienne will receive free dumps for the month of June courtesy of Poor Farmer's for their hard work in keeping ours one of the most highly rated campgrounds in the area.
