CHATTER

August 2022 / VOLUME 11 ISSUE 8

By: **Mike Till**

Get your tickets today for Comedian Jeff "Banger" and Friends. This "Adult Only" show will tickle your funny bone, emphasize your laugh lines and may just make you pee a little in your shorts. Mike Till will be opening up the show; Jeff figures it's always good to follow a rookie. Tickets are limited and for adults only, therefore, if you look under 40 years old we will have to card you.

Tickets are \$10 pre-sale and if there are any left, \$15 at the door. That's what you get for waiting. Please note, if you are easily offended, have virgin ears or people call you Karen when your name is clearly Sara... this show may not be for you. For the rest of you, (BYOB) bring your own beverages, your smiles and a slightly dirty mind. Jeff "Banger" and Friends will appreciate your smiles, feed your dirty minds and more than likely, drink your beverages if you leave them unattended. Enjoy the Show!

The Poor Farmer's Pound Puppies Annual Coachmen Rally

Back in the days of Carl and Georgia, camping clubs were a big deal. They didn't have facebook where they could connect with hundreds if not thousands of people at once. They had telephones and snail mail, so camping was their social media app, campgrounds were the various pages they visited and their Coachmen camper was their own page that they could personalize, usually with cute little dalmations. There! Now I have sufficiently explained camping clubs to all the millennials out there.

Each year, Becky Brittingham and the Pound Puppies host a Coachmen Camping Rally. At the rally, we play games, eat food, play some more games and then... eat more food. Becky has to keep the schedule pretty basic for guys like me. Every once in a while she throws in a craft and blows my mind. If you are interested in attending this event or would like more information, please ask our parts store associates or contact Becky at bbmedway@yahoo.com.

2022 Golf Cart Rodeo

**August
27th**

The Poor Farmer's Golf Cart Rodeo has been completing our August for nine years running. We have seen firetruck golf carts, Lightning McQueen and Mater golf carts and of course, Maude. Our need for speed is quelled by the silent thunder of Troy Scherer's 72-volt electric cart going from 0 to OMG instantly as he races Steve's souped-up EZ-GO Drag car.

Rick and Deb LeVally started this event in 2014 and ran it until 2020. I attempted to step in in 2021 but I did not have Rick's technical knowledge which is needed to inspect the carts and categorize them properly. For the 2022 Rodeo, Troy Scherer with

Odd Powers, has volunteered to take over the technical side of the event. He will separate all of the carts into whatever classes they belong to according to the different modifications that have been made. This is done mainly for the faster events (Drag Race & Figure-8), but for the O-Course and [Blue Ball Challenge](#), the stock carts usually do better than those meant for speed.

Be here for the fun, whether you are competing or just spectating, we are sure to have a great time. Odd Powers also has a new feature for the rodeo this year that anyone will be able to participate in. There is no speed necessary, all you gotta do is sit there.

Labor Day Weekend

Every year in September, Americans feel the need to celebrate their own employment. I always found it odd that on Labor Day we take the day off. With the current condition of America's labor market, we should probably only get half the day off since we only have about 50% of the workforce currently working. Poor Farmer's has put together a fun Labor Day Weekend for our campers. We will start with our Annual Shriner's Breakfast at 8:30am where Jimmy will be flippin' pancakes from afar, if you wish to catch them. At 2pm, a group of campers will be hosting a huge cornhole event adjacent to the Big Shelter. Entry in this tourney is \$5. At 5:30pm Mike will host his Annual Steak and Potato Dinner. Make sure you get signed up in the parts store for this event before August 28th.

Finally, at 9pm, Jeff "Banger" and Friends will host our comedy night. This show is for Adults only and pre-sale tickets are \$10 in the parts store or it will be \$15 at the door if there are any left. I expect this show to sell-out quick since yours truly will be opening up with a short set. I swear if anyone heckles me, their rent will double. Feel free to heckle the real comedians though, that always makes for an interesting show.

Site# 408 Bob & Joyce Houshel

Bob and Joyce Houshel have been perm camping at Poor Farmer's RV since 2018. I think it was the next year that they were able to acquire site#408 which they have landscaped and nurtured to a point of Site of the Month quality.

This site is bordered by two bodies of water, the great Lost Creek and a beautiful brook fed by the northern field. The site is as beautiful as it is simple. What more do you need than a level platform, a stone fire ring, and a love seat. Well... it's not technically a love seat until Bob and Joyce get in it. Thanks to you two lovebirds for helping make Poor Farmer's a beautiful place to camp and relax. Enjoy free dumps this month.
