

The Monthly Chatter

Flea Market Weekend!

The 2024 Flea Market Weekend is a little different than the past. This is our first Tractor Show in which we have placed our campsites on the reservation system through our website. We are trying to accommodate those who did not get the message as much as we can.

Here is how it works. Those of you who have reserved a campsite for the weekend will have the option to flea from your campsite. If you are interested in this, please see our camp office representative to pay the \$40 flea market fee and receive your permit tag. This tag should be displayed somewhere at the front of your site if you are selling.

For those of you bringing tractors and engines to display, once the camp office rep sees your tractor or engine, they will write you down for a refund which will be completed through our reservation system. Please remember that tractors and engines must be displayed in the area next to our big shelter to receive the discounted camping rate.

Our flea market is open until 2pm on Sunday. Anyone with a flea spot will be permitted to checkout late to stay open for the \$10 refund. All flea spots will be given a \$10 refund at 2pm if they are still set-up and selling until close. I hope this gives you more of an opportunity to make some extra sales.

As always with the flea market.

- No shopping from your car.
- If your selling weapons make sure they are unloaded and cabled.
- No selling water or pop at your flea spot, I have food concessions for that.
- All visitors and extra vehicles must park in the designated public parking areas.
- All golf cart operators must have a valid driver's license and insurance on the vehicle.
- Quiet hour is 11pm. Please respect your fellow campers.
- Have a great time and buy a lot of fleas.

Larry and Cheryl Ouellette

Site of the Month

Site number 333 has earned the distinguished title of Site of the Month for June 2024. Larry and Cheryl have decorated their new site in my three favorite colors... red, white and blue! It seems to be a color pattern that works for them because they decorated their golf cart with the same three colors and won the Show-N-Shine on Memorial Weekend. Thank you, Larry and Cheryl, for making your campsite look so full of life and patriotism. I am sure even the Trumpster would be proud to play a game of cornhole with you as soon as he makes bail.

You two have a great summer and see Mike for your prize of free dumps for this month or if you are signed up for yearly dumps, I will get you a fifty-dollar gift certificate. 'Merica!

SEMPER FI!

Attention Perms! Sites are looking great. There are only a small handful of campers that I am working on to get their site up to Poor Farmer's standards. Picking the Site of the Month is getting tougher by the day. I would like to address a couple issues I have noticed and would like for you campers to pay attention too.

The first issue deals with dogs and kids. Yes, we allow dogs in the park, but it is your responsibility to keep those dogs on a leash and pick up their droppings. If your dog is violent or their bark is disruptive, you will be asked to leave that animal at home.

Regarding kids, we love kids! We have some of our own. But kids need to be monitored. I am happy that you feel comfortable with letting the heathens run around the campground. Just be sure they are not interfering with others camping experience. Also remember that this is a family campground. Yelling and cursing at your children is always distracting to your neighbors.

Next, golf carts are for licensed drivers only. I know it is fun for the kiddies to drive the carts, but due to insurance purposes, the driver must have a license. Also, please remember to keep your speed to 5MPH while driving the carts. I know they don't usually come with a speedometer, so you will have to just go slow.

Finally, I would like to ask that you only put household trash in the dumpsters. When I say household trash, I am talking about your household trash from your camper, not your house. Please do not bring trash in from off property. Please do not throw large pieces (i.e. mattresses, furniture, outside carpets, etc.) into our dumpsters.

Don't forget to review the rest of the rules so you don't get Mike or Jimmy down to your site for the wrong reasons. Let's Go Campin'!

Memorial Day Weekend Review

Memorial Day Weekend was a complete success! It started with a golf cart obstacle course where campers made their way through a series of twists and turns, blindfolded at the end.

Congrats to Larry Oullette for winning the Show-N-Shine and to Sam and Montana Houshel for winning the O-Course.

Angela Albright hosted the cornhole tourney and this was the first time she was able to play. She gathered 24 players and raised some money for a good cause.

We were able to support a local pizza place that just opened. Top Hat Sports Grill gave us a nice discount on pizza and expanded their customer base by about 80 people in the process. Thanks to the new owners, Chris and Heather. We wish you the best of luck and much success with your new venture.

The Blind Quarter Auction was a great time for all. We gave away a TV, a bike, gift certificates and a t-shirt with nipples. I think Sam was the big winner of the night. He won so much that it spilled over to the kids.

Angie Langford won the 11th Annual Poker Run with a full-house, 3's over queens. Thanks to all the campers who helped me with the stations. Everyone had a great time. Jolene called BINGO and Bill Miller hosted karaoke.

I hope you all had a great weekend. Thank you to all who joined us and made Memorial Day memorable.
