The Monthly Chatter

By Mike Till

It's Fair Time!

August 9th thru the 15th

The Miami County Fair is here! For some, it is one of the busiest times of the year, for others, it is a chance to get away to enjoy some fair food, live entertainment and of course, check out the Poor Farmer's camper display. Here are a few other events to check out:

Friday, August 9th @ 7pm- KOI Drag Racing

Saturday, August 10th @ 6pm- Tractor Pulls

Sunday, August 11th @ 4pm- Corgi and Weiner Dog Races

Wednesday, August 14th @ 7pm- Demolition Derby

Thursday, August 15th, @ 7pm- Monster Trucks and Motocross

Poor Farmer's RV Service

Schedule your RV repair with our skilled Service Technicians. We can come to your campsite and fix many of the issues you may have. Call Justin at 937-368-2449 or email him at justin@poorfarmerrvs.com.

Golf Cart Rodeo

AUGUST 24TH, 2024

Do you think you have the fastest golf cart around? Have you been wanting to test your metal against veteran golf cart racers in a live or die death match race around the campground? As cool as that sounds, the death match will have to wait until civilization breaks down, which could be sooner than we think with the way things are going. What you will find at the Annual Golf Cart Rodeo is a great time with friends playing games, negotiating obstacle courses, drag racing similar carts, and of course, the Show-N-Shine, where you get to see how others decorate their buggies, and you can show yours off as well.

We would like to welcome back Troy and his Odd Power team. They will be helping with the planning and set-up of the event, but I still need volunteers to help run the show. If you want to help and not run a golf cart, please get ahold of Mike.

The Golf Cart Rodeo is a safe, fun, and exhilarating way to spend time with friends and family. We also welcome all those who want to watch the event. The next best thing to racing in the rodeo is watching the fun unfold. Bring your cart to the area North of the pull track at 10am ready for the first event, the Show-N-Shine. Once all the votes are in, we will start the racing events. Get those carts charged or filled with fuel for this once-a-year event. Please remember that the speed limit though the campground is always 5mph.

Audie & Karen Smith

July Site of the Month

Site #473 was our Site of the Month for July. Audie and Karen have always kept their campsite neat and colorful with an array of flowers, décor and crisp edges. This site backs right up to the creek but is high enough to stay dry when the rain comes.

The site comes with a relaxing area in the rear to sit and enjoy the day, plenty of green space out front and a very nice Coachmen Chaparral as the centerpiece.

We would like to give our appreciation and admiration for the hard work that the Smiths put into their campsite. Enjoy the sign and award for your efforts. There is nothing like having a put-together site to make you want to camp.

August Site of the Month has been awarded to Jim and Debbie Faulder site #466. Jim and Debbie's campsite is well manicured with sharp edges and decorative flowers, flags and for this month, a beautiful "Site of the Month" sign.

The Faulder's home away from home at Poor Farmer's is their Cedar Creek fifth wheel when they are not sweating out the winters down South.

Jim and Debbie enjoy spending time with family and friends while relaxing at their campsite. I will commend them; they have created a very relaxing space.

Thank you, Jim and Debbie for making site #466 a campsite worth bragging about. Poor Farmer's campers set the standard for campsite beauty.

August Site of the Month

THE AMAZING RACE

Join us Sunday September 1st for this fun filled race around the campground.

Team up with 3 of your best buddies and form a team of 4 total to find clues all about our beloved campgrounds. Each clue will lead you to the next location of the race!

At each stop you and your entire team will snap a selfie at that location and you will receive the next clue.

Along the way you will come across some challenges you must complete in to move on. Each team member must compete in at least one challenge to win.

Be the first team to find all the clues, finish the challenges and cross the finish line to take home the 'W'!!

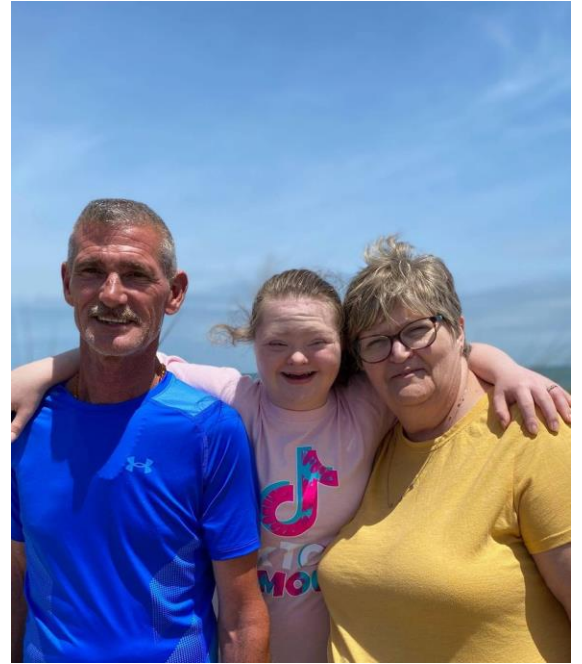

Golf Carts are allowed but only two team members on a cart at time. No clue given until the entire team arrives at the location!

From the Minton's

I was asked by Amy to send out a special "Thank You!" to all those friends and family that have been so supportive of her family in this trying time she has had. The phone calls, the visits, and especially, the fund raisers and donations have all been a blessing from God.

Please keep the Minton's in your thoughts and prayers. Pray for Amy's strength and wellness, pray for Sam to ask someone for help if he needs it, and pray for Samantha to be a big help and appreciate the time she spends with her mom and dad.

Lord, take care of the Minton's and send them whatever they need, be it friends, family or finances.

www.Wearegettinghighspeedinternetsoon.com

What brings the world together? What drives productivity and advancement in the markets of today? What instantly connects millions of people globally so we can all watch crazy cat videos and Aussies punching kangaroos? The answer... high speed internet.

This quiet place in between cornfields has been lacking some 21st Century amenities. We may not have any Tesla Cyber trucks cruising our gravel roads, but we will soon be able to supply you with some quality WWW.

Of course, the biggest issue is always cost. So, we will not be able to just hand this stuff out for free. However, we will be able to offer you affordable internet so you can stream your favorite shows, movies and music.

Installation should only take a couple of months. By then I will have pricing options and more information on the system itself, for those of you who understand the jargon and need the info. Thankfully I have good people in my life that I can trust who's knowledge of technology vastly out ways my own. We will keep you posted on these developments.

Keeping up with the Jones's

Hello campers! I would like to thank all the campers who have gone the extra mile to make their campsites look great. You have been making the Site of the Month award difficult to choose. There are just a handful of sites that need attention, and for some I have already discussed it with you.

Keeping your site neat and trim will not only make your stay with us more relaxing but will also make your neighbors stay more enjoyable as well.

Some key things to remember:

- Pick up after your animals after every dropping.
- Keep your grass mowed every weekend, even if you're not here.
- Keep your RV washed
- When it comes to lawn ornaments... less is more.

Guess the Year

- NASA's Opportunity rover becomes the first to complete a Martian marathon
- "Star Wars: The Force Awakens" has its world premiere at the TCL Chinese Theatre in Los Angeles
- David Letterman hosts the "Late Show with David Letterman" for the last time, ending 33 years in late night television
- US Supreme Court rules 5-4 same-sex marriage is a legal right across all US states
- NASA's Kepler mission announces discovery of the most Earth-like planet yet - Kepler-452b, 1,400 light years from Earth
- Adele releases her single "Hello" - becomes 1st song with more than a million downloads in 1st week

Answer: 2015
