August 23rd, 2025

10am

Family Fun on Four Wheels!

Bring your gas or electric golf cart to Poor Farmer's RV on August 23rd and join in the fun. We will have a Show-N-Shine, Drag Race, Obstacle Course, and more. "My cart is just stock!" That's okay, we separate the carts into classes so you will only compete against that class in the speed events.

Bring a friend, the obstacle course has a two-person component to it. If you are entering the speed events, you must wear a helmet. We have some here but if you have one you like you can bring it. Cost is \$5/person to enter. Prizes, 50/50 and fun and games will be the evening of the event.

Come out to the 10th Annual Golf Cart Rodeo and put your cart driving to the test. Camping is \$40/night go to www.poorfarmerrvs.com to make a reservation. Food vendors will be set up for the event.

Old, New, Stock or Tuned... you're gonna have a great time!
