The Chatter

Halloween Edition

By Mike Till

Two Weekends of Fun and Fright!

Halloween at Poor Farmer's are the most popular weekends we host. Our first Halloween weekend is October 9th & 10th and the second Halloween weekend is October 16th & 17th. Both weekends will have identical events. They will start with a costume contest for all at 5pm outside of the Big Shelter. Directly after the costume contest, the kids will be able to trick or treat through the campground until 7:30pm.

At 8pm the Poor Farmer's Haunted Shelter opens. Tickets are still just \$10. You can purchase your tickets at the parts store, in our camp office, or at the Haunt. Jimmy Weaver and his Psychos will do everything in their power to exert a scream from you. We would like to thank the Upper Valley JVS Graphic Art Design crew for creating our posters, flyers and tickets.

Tell a buddy and bring a friend to the Poor Farmer's Haunted Shelter. You won't be disappointed.

Here is the new breakdown for Seasonal Campers:

(Please remember that all 2026 bills must be paid by Dec 31st, 2026, to receive any discounts, including your 2026 electric.)

March 1st.....\$1500.00

April 1st.....\$1750.00

After April 1st the full amount will be due by April 15th.

2026 Carl Springer Memorial Tractor & Engine Show / Flea Market

2026 has been the year of the raindrop. It seemed that every time we had an event scheduled, precipitation crashed the party. The Carl Springer Memorial Tractor & Engine Show/Flea Market was no different. There was at least the threat of rain all weekend, the tractor pulls were cancelled because the track was too wet, and flea marketeers spent most of the weekend with their products covered with tarps. On the plus side, we saved on diesel cause Lynn didn't have to spend all weekend watering the roads.

Even with the weather, we still had a tractor parade, vendors were selling fleas, and we even had a special guest, Jerry Mullins, play guitar and sing in the shelter Friday night. Even if it wasn't one of our better shows, it was still a great weekend. Thanks to all who helped to make it so.

The Haunt

Jimmy and his crew of psychos have already started the set-up of the Haunted Shelter for 2026. This has been an all-year effort for Jimmy. Throughout the year he has been rebuilding props, collecting costumes, working on design plans, and getting the shelter ready for all the lights and audio he needs. Thanks to Lynn for helping in a big way.

Tell your friends and bring your buddies to our Haunted Shelter October 9th, 10th, 16th, and 17th. Showtimes are 8pm to 11pm every night. The cost is only \$10 for this haunting experience and there are considerations made for the young and extremely frightened. You can purchase tickets in our parts store, at the camp office or at the Haunt itself.

I can't wait to see what Jimmy and the psychos have in store for 2026. Like Monsters Inc... they get paid in SCREAMS!!!!

Site of the Month

Site #210

Rick & Jessica Peake

Site number 210 is in Peake condition thanks to Rick and Jessica Peake. Decorated with festive fall accents, the Peakes have created a campsite full of seasonal color and energy. This site is always clean and manicured. The centerpiece for this location is a beautiful Campsite Reserve travel trailer. They have room for entertainment and a nice outdoor kitchen. Thanks to Rick and Jess for the hard work they put in to making this site one for The Chatter. Enjoy your gift certificate for Poor Farmer's!

Polar Farmers

This is probably the scariest part of The Chatter. Yes folks, whether we want to admit it or not, winter is coming. It won't be long until we witness another great migration of campers from their summer sites to their winter sites.

Some things to remember before moving up front. If you have any rent or electric bills in the rears, you will not get a site up front. If you are paying weekly or nightly, you will not get a site up front. The full hook-up sites are reserved for monthly campers. If you are interested in moving to a "winter site" please let Mike or Amy know so we can work you in.

If you are moving up there are a few things I would like you to remember. First, when staying up front, I need you to pay extra attention to how your sites look. Yes, I said sites. Both your summer and winter sites need to stay clean and in order.

Second, if you have pets, please make sure that they are cleaned up after dropping their gift. Do not leave droppings sit.

Third, you are allowed two vehicles at your campsite. Extra vehicles must be parked at your summer site or in a general parking area.

There will be more info to come, so keep an eye out for the next installment of Polar Farmer's. If you have any questions or concerns, please feel free to speak with Mike. Until then, enjoy what nice weather we have left and have a great Halloween!

Happy
Birthday
i thank God
for you.

October birthdays are plentiful here at Poor Farmer's. We have more October birthdays for our staff and families than we do any other month. I won't list them all, but I will tell you that some of them are extremely important for me to remember.

Happy Birthday to all of you October babies. I hope and pray that your special day is exactly what you want it to be. Your gift from me will be 5 years. You have my permission to subtract 5 years from your real age when you tell folks. Ya... like you need my permission. Happy Birthday!!
